Illustration and UX Design

PERSONAL STATEMENT

I am a highly motivated and career aspiring Interaction Design student studying at the University of Ulster. I am currently in my 2nd year and looking for placement opportunity with companies offering me a place to hone my skills and to grow as a designer. I am an enthusiastic and positive thinker, focused on my goal as an individual. I am looking forward to my next goal of working collaboratively on projects in a creative studio setting.

WORK EXPERIENCE

General Labourer, OneStop Renovations, Derry
(Summer 2013-2014)
